Journal of Ethnopharmacology 51 (1996) 333–336

Journal of ETHNO-PHARMACOLOGY

Subject index

Volume 51 (1996)

Access; Australia; Biodiversity **51**, 229

Access; Biological diversity; Biodiversity Convention; Biogenetic resources; Wild life law; Costa Rica **51**, 177

Access legislation; Biodiversity prospecting; Biotechnology; Local community rights; Cooperatives; Trade; Natural products; Drug development; Plant genetic resources **51**, 75

Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Anticancer agents; Camptothecin; Taxol; Secondary metabolites; Isolation guided by bioassay **51**, 239

ASEAN agreement; Philippines; Guidelines for biological collecting; Executive order; Manila declaration; Melaka accord **51**, 205

Australia; Biodiversity; Access **51**, 229

Benefit sharing; Drug discovery; Plants; Collecting expeditions; Criteria for collection; Conservation **51**, 1

Biodiversity convention; Andean pact; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Biodiversity Convention; Biological diversity; Biogenetic resources; Access; Wild life law; Costa Rica **51**, 177

Biodiversity prospecting; India; Resource conservation; Forest policy; Plant collection permit **51**, 161

Biodiversity prospecting; Nigeria; Intellectual property rights; International Cooperative Biodiversity Group; Bioresources Development and Conservation Programme **51**, 209

Biodiversity treaty; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Intellectual property agreements; Patents; Licenses; Biodiversity **51**, 17

Biodiversity; Andean pact; Biodiversity convention; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Biodiversity; Australia; Access **51**, 229

Biodiversity; Decree; Law; Exploitation permit; Ministerial order **51**, 121

Biodiversity; Drug discovery; Natural products; Conservation; Royalty; Screening; Reward to source country **51**, 39

Biodiversity; Intellectual property rights; Indigenous rights; Contracts **51**, 93

Biodiversity; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Intellectual property agreements; Patents; Licenses; Biodiversity treaty **51**, 17

Biodiversity; Legislation; Dominican Republic; Conservation; Resource management **51**, 147

Biodiversity; Medicinal plants; Collection and export; Patent; Madagascar **51**, 195

Biodiversity; Natural products; Drug discovery **51**, 29

Biodiversity; Policy; Drug discovery; Intellectual property rights; Tanzania **51**, 221

Biogenetic resources; Biological diversity; Biodiversity Convention; Access; Wild life law; Costa Rica **51**, 177

Biological diversity; Biodiversity Convention; Biogenetic resources; Access; Wild life law; Costa Rica **51**, 177

Biological diversity; Drug discovery; Reciprocity; Indigenous knowledge **51**, 45

Biological material; Vietnam; Collection; Rare plants; Useful plants; Rules and regulations **51**, 173

Bioresources Development and Conservation Programme; Biodiversity prospecting; Nigeria; Intellectual property rights; International Cooperative Biodiversity Group **51**, 209

Biosecurity; Andean pact; Biodiversity convention; Biodiversity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Biotechnology; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Biotechnology; Biodiversity prospecting; Access legislation; Local community rights; Cooperatives; Trade; Natural products; Drug development; Plant genetic resources **51**, 75

Biotechnology; Biodiversity prospecting; Access legislation; Local community rights; Cooperatives; Trade; Natural products; Drug development; Plant genetic resources **51**, 75

Calophyllum; Rain forest; Medicinal plant research; Sarawak **51**, 201

Camptothecin; Taxol; Secondary metabolites; Anticancer agents; Isolation guided by bioassay **51**, 239

Collecting expeditions; Drug discovery; Plants; Criteria for collection; Benefit sharing; Conservation **51**, 1

Collection and export; Biodiversity; Medicinal plants; Patent; Madagascar **51**, 195

Collection; Vietnam; Biological material; Rare plants; Useful plants; Rules and regulations **51**, 173

Conservation; Biodiversity; Legislation; Dominican Republic; Resource management **51**, 147

Conservation; Drug discovery; Natural products; Biodiversity; Royalty; Screening; Reward to source country **51**, 39

Conservation; Drug discovery; Plants; Collecting expeditions; Criteria for collection; Benefit sharing **51**, 1

Conservation; Natural resources; Forest law; Wildlife **51**, 167

Contracts; Biodiversity; Intellectual property rights; Indigenous rights **51**, 93

Cooperatives; Biodiversity prospecting; Biotechnology; Access legislation; Local community rights; Trade; Natural products; Drug development; Plant genetic resources **51**, 75

Costa Rica; Biological diversity; Biodiversity Convention; Biogenetic resources; Access; Wild life law **51**, 177

Criteria for collection; Drug discovery; Plants; Collecting expeditions; Benefit sharing; Conservation **51**, 1

Decision 345; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Decree; Biodiversity; Law; Exploitation permit; Ministerial order **51**, 121

Dominican Republic; Biodiversity; Legislation; Conservation; Resource management **51**, 147

Drug development; Biodiversity prospecting; Biotechnology; Access legislation; Local community rights; Cooperatives; Trade; Natural products; Plant genetic resources **51**, 75

Drug discovery; Biodiversity; Natural products **51**, 29

Drug discovery; Biological diversity; Reciprocity; Indigenous knowledge **51**, 45

Drug discovery; Intellectual property; Patents; License; Ownership; Royalty **51**, 59

Drug discovery; Natural products; Conservation; Biodiversity; Royalty; Screening; Reward to source country **51**, 39

Drug discovery; Plants; Collecting expeditions; Criteria for collection; Benefit sharing; Conservation **51**, 1

Drug discovery; Policy; Biodiversity; Intellectual property rights; Tanzania **51**, 221

Ethnopharmacology; Intellectual property rights; Genetic resources; International cooperation **51**, 111

Executive order; Philippines; Guidelines for biological collecting; Manila declaration; Melaka accord; ASEAN agreement **51**, 205

Exploitation permit; Biodiversity; Decree; Law; Ministerial order **51**, 121

Forest law; Natural resources; Conservation; Wildlife **51**, 167

Forest policy; India; Resource conservation; Plant collection permit; Biodiversity prospecting **51**, 161

Genetic access; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Genetic resources; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345;

Genetic access; National biodiversity strategy; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Genetic resources; Ethnopharmacology; Intellectual property rights; International cooperation **51**, 111

Guidelines for biological collecting; Philippines; Executive order; Manila declaration; Melaka accord; ASEAN agreement **51**, 205

India; Resource conservation; Forest policy; Plant collection permit; Biodiversity prospecting **51**, 161

Indigenous knowledge; Biological diversity; Drug discovery; Reciprocity **51**, 45

Indigenous rights; Biodiversity; Intellectual property rights; Contracts **51**, 93

Intellectual property agreements; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Patents; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Intellectual property contributions to drug discovery and development; Intellectual property; Intellectual property rights; Protection of intellectual property; Intellectual property agreements; Patents; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Intellectual property rights; Biodiversity prospecting; Nigeria; International Cooperative Biodiversity Group; Bioresources Development and Conservation Programme **51**, 209

Intellectual property rights; Biodiversity; Indigenous rights; Contracts **51**, 93

Intellectual property rights; Ethnopharmacology; Genetic resources; International cooperation **51**, 111

Intellectual property rights; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Intellectual property agreements; Patents; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Intellectual property rights; Policy; Biodiversity; Drug discovery; Tanzania **51**, 221

Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Intellectual property agreements; Patents; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Intellectual property; Patents; License; Ownership; Royalty; Drug discovery **51**, 59

International cooperation; Ethnopharmacology; Intellectual property rights; Genetic resources **51**, 111

International Cooperative Biodiversity Group; Biodiversity prospecting; Nigeria; Intellectual property rights; Bioresources Development and Conservation Programme **51**, 209

Isolation guided by bioassay; Camptothecin; Taxol; Secondary metabolites; Anticancer agents **51**, 239

Law; Biodiversity; Decree; Exploitation permit; Ministerial order **51**, 121

Legislation; Biodiversity; Dominican Republic; Conservation; Resource management **51**, 147

License; Intellectual property; Patents; Ownership; Royalty; Drug discovery **51**, 59

Licenses; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Intellectual property agreements; Patents; Biodiversity; Biodiversity treaty **51**, 17

Local community rights; Biodiversity prospecting; Biotechnology; Access legislation; Cooperatives; Trade; Natural products; Drug development; Plant genetic resources **51**, 75

Madagascar; Biodiversity; Medicinal plants; Collection and export; Patent **51**, 195

Manila declaration; Philippines; Guidelines for biological collecting; Executive order; Melaka accord; ASEAN agreement **51**, 205

Medicinal plant research; Rain forest; *Calophyllum*; Sarawak **51**, 201

Medicinal plants; Biodiversity; Collection and export; Patent; Madagascar **51**, 195

Melaka accord; Philippines; Guidelines for biological collecting; Executive order; Manila declaration; ASEAN agreement **51**, 205

Ministerial order; Biodiversity; Decree; Law; Exploitation permit **51**, 121

National biodiversity strategy; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; Sovereignty; Sustainable use; Property rights; UPOV **51**, 127

Natural products; Biodiversity prospecting; Biotechnology; Access legislation; Local community rights; Cooperatives; Trade; Drug development; Plant genetic resources **51**, 75

Natural products; Biodiversity; Drug discovery **51**, 29

Natural products; Drug discovery; Conservation; Biodiversity; Royalty; Screening; Reward to source country **51**, 39

Natural resources; Forest law; Conservation; Wildlife **51**, 167

Nigeria; Biodiversity prospecting; Intellectual property rights; International Cooperative Biodiversity Group; Bioresources Development and Conservation Programme **51**, 209

Ownership; Intellectual property; Patents; License; Royalty; Drug discovery **51**, 59

Patent; Biodiversity; Medicinal plants; Collection and export; Madagascar **51**, 195

Patents; Intellectual property agreements; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Protection of intellectual property; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Patents; Intellectual property; License; Ownership; Royalty; Drug discovery **51**, 59

Philippines; Guidelines for biological collecting; Executive order; Manila declaration; Melaka accord; ASEAN agreement **51**, 205

Plant collection permit; India; Resource conservation; Forest policy; Biodiversity prospecting **51**, 161

Plant genetic resources; Biodiversity prospecting; Biotechnology; Access legislation; Local community rights; Cooperatives; Trade; Natural products; Drug development **51**, 75

Plants; Drug discovery; Collecting expeditions; Criteria for collection; Benefit sharing; Conservation **51**, 1

Policy; Biodiversity; Drug discovery; Intellectual property rights; Tanzania **51**, 221

Property rights; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; UPOV **51**, 127

Protection of intellectual property; Intellectual property; Intellectual property rights; Intellectual property contributions to drug discovery and development; Intellectual property agreements; Patents; Licenses; Biodiversity; Biodiversity treaty **51**, 17

Rain forest; *Calophyllum*; Medicinal plant research; Sarawak **51**, 201

Rare plants; Vietnam; Collection; Biological material; Useful plants; Rules and regulations **51**, 173

Reciprocity; Biological diversity; Drug discovery; Indigenous knowledge **51**, 45

Resource conservation; India; Forest policy; Plant collection permit; Biodiversity prospecting **51**, 161

Resource management; Biodiversity; Legislation; Dominican Republic; Conservation **51**, 147

Reward to source country; Drug discovery; Natural products; Conservation; Biodiversity; Royalty; Screening **51**, 39

Royalty; Drug discovery; Natural products; Conservation; Biodiversity; Screening; Reward to source country **51**, 39

Royalty; Intellectual property; Patents; License; Ownership; Drug discovery **51**, 59

Rules and regulations; Vietnam; Collection; Biological material; Rare plants; Useful plants **51**, 173

Sarawak; Rain forest; *Calophyllum*; Medicinal plant research **51**, 201

Screening; Drug discovery; Natural products; Conservation; Biodiversity; Royalty; Reward to source country **51**, 39

Secondary metabolites; Camptothecin; Taxol; Anticancer agents; Isolation guided by bioassay **51**, 239

Sovereignty; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sustainable use; Property rights; UPOV **51**, 127

Sustainable use; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Property rights; UPOV **51**, 127

Tanzania; Policy; Biodiversity; Drug discovery; Intellectual property rights **51**, 221

Taxol; Camptothecin; Secondary metabolites; Anticancer agents; Isolation guided by bioassay **51**, 239

Trade; Biodiversity prospecting; Biotechnology; Access legislation; Local community rights; Cooperatives; Natural products; Drug development; Plant genetic resources **51**, 75

UPOV; Andean pact; Biodiversity convention; Biodiversity; Biosecurity; Biotechnology; Decision 345; Genetic access; Genetic resources; National biodiversity strategy; Sovereignty; Sustainable use; Property rights **51**, 127

Useful plants; Vietnam; Collection; Biological material; Rare plants; Rules and regulations **51**, 173

Vietnam; Collection; Biological material; Rare plants; Useful plants; Rules and regulations **51**, 173

Wild life law; Biological diversity; Biodiversity Convention; Biogenetic resources; Access; Costa Rica **51**, 177

Wildlife; Natural resources; Forest law; Conservation **51**, 167
